

Network for Quality, Productivity and Competitiveness –Nepal (NQPCN)

3rd National Conference on Quality

November 8-9, 2019 (Kartik 22-23,2076)

Venue: **Prime College**
Khusibu, Kathmandu

Quality Culture for Prosperity and Happiness

Network for Quality, Productivity and Competitiveness-Nepal (NQPCN) is non-profit organization network platform of entrepreneurs, managers, academicians and consultants of Nepal established in 2004 with the vision of Creating Value through Quality to promote excellence and enhance competitiveness through sharing, learning and application of acceptable contemporary and innovative techniques for social-economic prosperity of the nation and mankind.

We are Core Council Member of Asia Pacific Quality Organization (APQO) and Asian Network for Quality (ANQ).

During the conference we have an opportunity to interact with renowned researcher, academicians, consultants, professionals from different fields. We too have an opportunity to share knowledge, experiences, and innovations to others.
